Byron Goodman, Contributing Editor

La Molina Naples Italy

How would you like to spend a couple of weeks in southern Italy and live in a 1200-year-old Roman mill while building Canadian cabins? Wow!!!

Here is your opportunity combine a Mediterranean vacation with Christian service. Live Roman history! See Mt Vesuvius! Visit Pompeii and Herculaneum! Experience the Italian open market! Eat pizza where it started! What a spot for a delightful vacation mixed with a little sweat and elbow grease.

WorldVenture needs to rebuild their men's dorms at The Old Mill Camp due to flooding in 2005. Byron and Lois Goodman will be heading up the team and will be in Italy to greet you when you arrive. They will be going over late in June, and the project is expected to begin in earnest by July 1, 2007 with plans to complete the three bungalows by August. Why not join them for a couple of weeks during the project and see more of the world?

This one will require all skills and will have space for several willing workers. Reserve your slot early before they are all gone by calling Dave at 888-423-5022.

Can't make it to Italy?

The cabin kits will be partly prefabricated and loaded into shipping containers in The Dalles, Oregon, on Saturday, April 14th.

Sign Up or Update Your Associate Status On-Line!

are, we don't know nearly enough about each other! Our database is capable of matching your skills and availability to project needs. The problem is, it doesn't know what those are until you tell it! We

now have an interactive form on our website that let's you tell us *everything!* (or not) Would you like to join us on some of these projects, but have not submitted an application for Associate Status yet? Are you interested in more information about Hard Hats for Christ? You can go to our website www.hardhatsforchrist.org and complete the Application for Associate Status found there. You can do it online or print a copy and mail the completed form to us at PO Box 636, Kelso, WA 98626

You may have been on our mailing list for a long time. You may even have served on one or more Hard Hats projects! But chances

Ross Point Christian Camp Post Falls, Idaho - April 16 - 28

Remember the project at Post Falls a couple of years ago where Hard Hats teamed up with MMAP to build two staff cabins? Well, Hard Hats is going back again for another project!

There will finally be a way to get into the dining hall from the backside - and eliminate that nasty drop out the sliding glass doors!

This time, we will build a second-story deck on the rear of the dining hall. The RV sites are along the river and the scenery is great! Set in the midst of the pines, Ross Point Camp is part of the American Baptist program and is halfway between Spokane, WA, and Coeur d'Alene, ID.

How about spending a week or two in the beauty of the Post Falls area and lend your hands to the work of the Lord? In addition to the RV sites they have "apartments" for those without RV's. Perhaps you could even stay in one of the staff cabins we build the last time there (they do have 6 bedrooms each).

The primary need is for framers. We hope to have the deck finished before the summer camping season begins, so sign up today! 888-423-5022

Moreland Bible Church Portland, OR

We are putting the finishing touches on the design package, hoping to submit it to the City for review (and, eventually, a permit!) this month. We still hope this project will get out of the ground as early as May or June.

Duane Atkinson will be heading it up and will need volunteers throughout the construction process. Hard Hats for Christ Vancouver-Portland Chapter is committing to helping all they can, but they welcome reinforcements! Why not give Dave a call to see where you can be the most help on this one. All skills will be needed from framing to electrical and plumbing. 888-423-5022

Looking Back -
Moving Forward
Celebration Banquet

Join us April 14th, 2007 from 4:30 PM - 7:30 PM at
Calvary Community Church, Longview, Washington
(Appetizers begin at 4:30 PM - Dinner served at 5:45 PM)

CALL DAVE at 888-423-5022
TO VOLUNTEER

Deary Community Bible Church Deary, Idaho

Hard Hats for Christ first became involved with the Deary Community Bible Church in 1999, when a team was dispatched to do a design consultation. In October 2004 we helped them build the walk-out basement. In the summers of 2005 and 2006 Dave and Ann Williamson along with the church folks worked toward finishing their new building.

They are now in the final stages of drywall mudding and preparing for completion this spring under the direction of Duane Atkinson. They are about ready for FINISH carpenters to complete the interior work. Consideration might be given for Swedish or even Polish carpenters as well!

Give Dave a call to see what you can do to help make this a "dream come true" for the folks at Deary. 888-423-5022

HURRICANE KATRINA REBUILDING:

SLIDELL, LOUISIANA

Byron and Lois Goodman are helping the Faith Bible Church as it adds a dormitory for volunteers to its campus while at the same time using volunteer teams to help the most needy of their neighbors rebuild their homes. Work is ongoing for years. All trades needed. Call Dave, 888-423-5022 for details.

Trinity Baptist Church

Walla Walla WA

Bob and Patti Virts will be leading their first Hard Hats for Christ team, erecting the superstructure of a new addition to the Trinity Baptist Church in Walla Walla, Washington this summer. RV parking will be available. The church is deciding now whether to stick-build, use ICF block, some other masonry product, or a combination of building systems. Call Dave for details.

Exotic Places

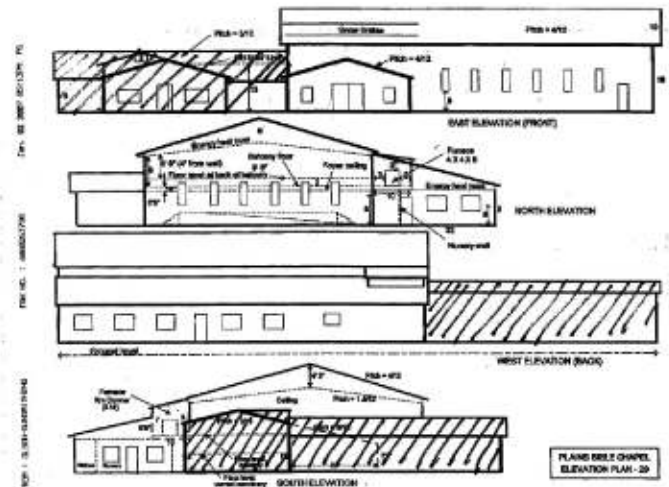

Argentina:

Chosen People Ministries

Kenya: World in Need, Training School Campus

California: Hayfork Community Church

Cle Elum, Washington: Koinonia Christian Camp & Retreat Center

Plains Bible Church is located just up the road from Paradise, Montana, so you know it's gotta be a nice place to work on a project! The church has been growing exponentially in the past few years and needs to expand the sanctuary and fellowship hall. Framers needed this summer! Call Dave, 888-423-5022

A BRAND NEW FACILITY— BYRON BIBLE CAMP

HURON, SD — "OUR CAMP IS BUILDING ON A NEW SITE, WITH NEW BUILDINGS: A NEW, 16,000 SF RETREAT CENTER, CABINS, AND RECREATIONS STRUCTURES (ZIP LINE, CLIMBING WALL, OBSTACLE COURSE, LOW ROPES, PLAY-GROUND) AND RV SITES." SOUNDS LIKE A CHALLENGE! CALL 888-423-5022

Staff Retreat -
Frontier School
of the Bible
LaGrange, WY

May 18—24 we'll hold a staff retreat/work project at Frontier School of the Bible during their Christian Workers Conference. All Missionary Staff and field supervisors are invited to attend the sessions of the conference and spend a couple of days working together to complete a project to be determined by the school.

If you are considering full or part-time service with Hard Hats for Christ, this would be a great time to get to know the rest of the team, be spiritually encouraged, and help a great little Bible School with their physical plant needs. Dorms & RV parking.
