Sherry Newton, editor

The Lord tells us to take care of His little ones, so in keeping with this we ask that if you are interested in serving at one of the camps listed, you contact Hard Hats. Please do not contact the camps directly. Once things are in order we will recommend you to the camp. A background check may be necessary as a matter of policy. You must be a member of Hard Hats for Christ (i.e., been accepted for Associate Status) to be recommended, so please go to our website, [www.hardhatsforchrist.org](http://www.hardhatsforchrist.org) to complete and submit the Individual Application.

## 777 Ranch - UTAH

777 Ranch will be hosting the Hard Hat Staff Rendezvous and as mentioned in Dave's letter we will be working on several projects while we are there. But there will still be plenty of work left for others to do after we leave.

Call us for details. 360-423-5022

**MAINTAIN MAINTAIN MAINTAIN** - This summer we have two ministries that need maintenance assistance. So if you prefer odd jobs over construction, this is your opportunity. The first is **FaHoCha Bible Camp** in eastern **North Dakota**. RV hookups are available or housing can be provided. Besides maintenance duties, everything from grounds keeping to kitchen help is needed.

Next we have **Cross Bar X Youth Ranch** in southwestern **Colorado**. They need a couple to come and assist with maintenance, office work, running errands to town, etc. There may also be opportunities to help with the camp programs. Typically they give volunteers a list of small maintenance projects that need to be accomplished and allow them to work at their own pace and schedule. If you feel the Lord's leading toward either of these, please contact Hard Hats for more detailed info.

Hard Hats has received a first-time request to work at **Heartstone Bible Camp** located in Northern **California**. This camp is only 15 miles from the Potter Valley project. Housing is available for craftsmen, families, and young people. In addition there are eight RV spots. The first phase of this project will include upgrading on 3 cabins including new siding, insulation, interior work, electrical, flooring, sheet rock, tape and paint. They also need help building and relocating a platform for a Yurt tent structure. The camp kitchen and dining building also need some new flooring and interior repairs. The second phase, depending on the permit, will include a complete exterior and interior renovation of an historic two story log cabin lodge at the Eel River. Be the first to volunteer. Call 888-423-5022.

When we were preparing to begin this issue of *With Sword & Trowel* and the *ActionGram*, we felt the Lord leading us to combine them. In this way all of our readers can see some of the projects the Lord has sent our way. We have given you a lot of information so as you prayerfully seek God's guidance in what He would have you do, please keep in mind the following. He will not lead everyone to go, He will not lead everyone to become a financial donor but everyone can pray. When He does show you what He would like for you to do please fill in the appropriate blanks below and send it to Hard Hats for Christ in the envelope provided. God Bless

------(Cut here)-----

Name \_\_\_\_\_ E-Mail \_\_\_\_\_

Address \_\_\_\_\_ Phone# \_\_\_\_\_

I will pray for this missionary \_\_\_\_\_ and/or this project \_\_\_\_\_

I would like to support this missionary \_\_\_\_\_ Monthly  One time  Amount \_\_\_\_\_

I would like to give \_\_\_\_\_ toward the Evangelism & Discipleship Matching Grant.

I feel the Lord leading me to volunteer for a Hard Hat project. Please turn page over and let us know where.  
*If you are not yet a member of Hard Hats for Christ please go to our website and fill out the Individual Application.*

**OR CALL DAVE at 888-423-5022  
 TO VOLUNTEER**

**Below we list nearly all the projects in our current file.**

**"Pending Applications"** are projects that we could approve if we had the manpower to help them.

**"On-Going"** are projects in progress or are recurring annually.

**"Committed To"** are projects to which we have already committed supervisory staff.

		Wishkah Valley Comm Church	WA
		Potter Valley Bible Church	CA

**Yes, they are sled dogs!**

**Camp Koinonia**

is located in the Cascade Mountains of Washington.

The camp has two seasonal projects underway. The spring project is building a two story annex next to an existing lodge. The fall project is renovation and expansion of the lodge. So come and see the mountains and at the same time lend a hand. Make your reservations to work at this beautiful location by calling the Hard Hats office.

**Cedine Ministries**

Those of you in the eastern part of the U.S.A. have an opportunity to visit the southern Appalachian Mountains and make a lasting impact on inner-city kids and their families. **Cedine Ministries** operates a Bible Camp, Retreat, and Conference Center in TN. Hard Hats has been working with Cedine for several years in an ongoing building program. In fact, one long-time Hard Hats volunteer has actually taken up permanent residence next door to the camp.

The main project is the construction of cabins like the one pictured. If you are interested just give us a call at 1-888-423-5022.

------(Cut here)-----

- I am available for a project from \_\_\_\_\_ to \_\_\_\_\_ in \_\_\_\_\_ state.
- I am prayerfully considering \_\_\_\_\_ project please send me more information.
- I would like to volunteer for \_\_\_\_\_ project. What do I need to do.
- I would like to start a Construction Workers Christian Fellowship at my work site. Please send me information.
- I am interested in becoming a part time Construction Missionary.
- I feel the Lord leading me in to full time service.

**If you have not filled out your contact info please do so on the other side then cut off and mail this to Hard Hats.**
