

Spring 2014

Together
Everyone
Accomplishes
Much

After seeing this sign in the lunch room at a large retailer, it got me to thinking. That is such a good description of what the Lord has put together to keep us in ministry for 35 years! As you assist us through prayers, friendships, finances, etc. it allows us to assist numerous ministries through facilities expansion and maintenance. With these improved facilities, the staff of the respective ministry, whether it be a church, camping ministry, Bible college, or another mission, can better accomplish the outreach to which the Lord has called them. Thank you so much for being part of the TEAM.

Our Christmas-2013 letter turned into a First-of-the-Year-2014 letter, which ended up being this Spring-2014 letter! We apologize to you, if you have been wondering what had happened to us. It seems like we have more good intentions than we have the energy to carry them out. Can you relate?

Our winter project at Youth Haven Desert Ranch has now ended. With the help of the Andersons of Wyoming, Hauer's of Alaska and a week-long HH4C crew from California much was accomplished from November 2013 through April 2014. An addition was added on the gym, three roofing projects, an air conditioner added to a dorm and numerous small maintenance items were completed.

We will be assisting at our home church for the next couple of summers. The addition that we worked on a couple of years ago in Pine Bluffs is still not complete, so our goal is to see it through to completion. We will also be checking out other future projects for the HH4C office at sites in the Mountain West region.

2014 is the year for reunions for us. The Sparks family reunion (Dennis' mother's side) will be in Ekalaka, MT in mid-June, followed by the Korneychuk cousins and extended

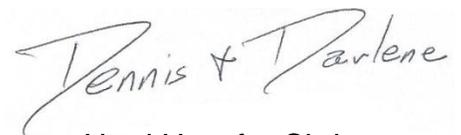

family reunion the following weekend in Billings, MT. Then, in September, we have Darlene's ???? High School class reunion in Toledo, Ohio.

We trust we will have the opportunity to see you if we end up in your area. There will be an open house for friends of the Korneychuk family at our Billings reunion, Sunday, June 22nd from 2-5 PM at the Masonic Center, 1101 Broadwater Ave. If you are in the Billings area and have the opportunity, we would love to see you there.

We are grateful to report that the Hard Hats for Christ home office is receiving almost one new volunteer application per week! This is great, but even at that rate the applicants are not enough for the projects we need to serve. And there is a dire need for at least 5 new, skilled team leaders to step in for our aging team leaders. Great wisdom is needed to know what ministries can be assisted with the number of staff and volunteers available. Thank you for joining us in prayer for these needs.

Thanks again for being part of the TEAM. May the Lord bless you for your part in the ministry of Construction Workers Christian Fellowship, *Serving Those Who Serve Others.*
