Are you ready for 2017 Rendezvous? How does October 14—20 at Glen Eyrie Conference Center in Colorado Springs sound? Plenty of RV spaces but limited lodging. Those with RVs can come early and stay late. There is a lot of work to be done. Call the CWCf Office *now* to reserve your spot!

If you can participate for a few days or a week or more, please call Robert at our office, (360) 423-5022. Don't forget, it takes money to process projects and volunteers, so your financial help would also be appreciated!

We need your picture to go up on the wall here in the office and for the web site; if you have not sent one in please do (the Post Office won't let us use the ones they have)!
